

Activities and Performance Measures (Objectives and Outcomes)  
For IDIS Tracking

Objectives

1. Creating a suitable living environment
2. Providing decent housing
3. Creating economic opportunities (applies to all Economic Development activities)

Outcomes

1. Improving availability or accessibility of units or services
2. Improving affordability not just of housing but also of other services
3. Improving sustainability by promoting viable communities

Activity #	Activity Name	Objective	Outcome
01	Acquisition, acquisition in support of, acquisition in 100 year flood plain, acquisition of real property, acquisition: land, building, easement or right-of-way	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
02	disposition only	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03	public facilities: demolition	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03	public facilities: open spaces	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	public facilities: relocation of utilities to underground (electrical or natural gas)	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	public facilities: sidewalks & pedestrian malls	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	public facilities: site development	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03	public facilities: solid waste disposal	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03	public facilities & improvements (general)	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	removal of architectural barriers in public buildings	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	removal of architectural barriers: curb cuts	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03	removal of architectural barriers: entrances	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services

Activity #	Activity Name	Objective	Outcome
03	removal of architectural barriers: restrooms	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03A	senior centers	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03B	handicapped centers	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03D	youth centers	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03E	recreation/neighborhood center, senior center	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03F	parks, recreational facilities, play grounds	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03G	parking facilities, spaces	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03H	solid waste disposal improvements	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03I	flood & drainage	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03I	catch basin, retention pond	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03I	flood & drainage: hazard mitigation	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03I	storm drains, curb & gutter	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	fire hydrants	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	fire protection	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	new-potable water	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	sewage treatment plant	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	sewer facilities, force sewer main, gravity sewer main, treatment	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services

Activity #	Activity Name	Objective	Outcome
03J	sewer lines & components, sewer line replacement	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	sewer pump/lift stations	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	water facilities	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	water & sewer improvements in general	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	water lines, water line replacement	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	water tank/well	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03J	water treatment plant	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03K	street improvements, resurfacing, curb & gutter	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03K	street lights	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03L	sidewalks	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03M	child care centers	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03N	tree planting	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
03O	fire station, equipment	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
03R	asbestos removal	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
04A	cleanup of contaminated sites	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
04A	clearance & demolition	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
04A	demolition of vacant dilapidated structures	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities

Activity #	Activity Name	Objective	Outcome
05H	employment training	3. Creating economic opportunities	1. Improving availability or accessibility of units or services
05K	landlord/tenant counseling	2. Providing decent housing	1. Improving availability or accessibility of units or services
05P	screening for lead based paint/lead hazards poison	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
08	permanent relocation	2. Providing decent housing	1. Improving availability or accessibility of units or services
08	permanent relocation as part of hazard mitigation	2. Providing decent housing	1. Improving availability or accessibility of units or services
08	temporary relocation	2. Providing decent housing	3. Improving sustainability by promoting viable communities
12	construction of new housing	2. Providing decent housing	1. Improving availability or accessibility of units or services
14A	code enforcement: housing	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	fee waivers for hookups	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	housing demolition	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	housing rehab	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	housing rehab: potable well & septic system installation	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	removal of housing architectural barriers	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services

<b>Activity #</b>	<b>Activity Name</b>	<b>Objective</b>	<b>Outcome</b>
14A	housing replacement	2. Providing decent housing	1. Improving availability or accessibility of units or services
14A	plumbing	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	rehab, single unit residential	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	residential rehabilitation	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	utility hookups	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14A	water & sewer hookups, plumbing	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14B	rehab, multi unit residential	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14C	public housing modernization	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14D	rehab, other publicly owned residential buildings	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14E	rehab, public/private owned commercial/industrial	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
14F	energy efficiency improvements	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14H	rehabilitation administration	2. Providing decent housing	3. Improving sustainability by promoting viable communities
14I	lead based/lead hazard test/abatement	2. Providing decent housing	3. Improving sustainability by promoting viable communities
15	code enforcement	2. Providing decent housing	3. Improving sustainability by promoting viable communities
15G	acquisition for rehabilitation	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
16A	residential historic preservation	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities

Activity #	Activity Name	Objective	Outcome
16B	nonresidential historic preservation	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
17A	commercial/industrial land acquisition/disposition	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
17B	commercial/industrial infrastructure development	3. Creating economic opportunities	1. Improving availability or accessibility of units or services
17C	commercial demolition	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
17C	commercial/industrial building acquisition	3. Creating economic opportunities	1. Improving availability or accessibility of units or services
17C	rehabilitation of commercial building facades	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
17C	rehabilitation of commercial buildings	3. Creating economic opportunities	1. Improving availability or accessibility of units or services
17C	rehabilitation of commercial buildings: correction of code violation	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
17C	rehabilitation of commercial buildings: section 504 compliance	1. Creating a suitable living environment	1. Improving availability or accessibility of units or services
17D	other commercial/industrial improvements	3. Creating economic opportunities	1. Improving availability or accessibility of units or services
18A	direct assistance to for profit entities: financial assistance to for-profits	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
18A	direct assistance to for profit entities: initial inventory, non-capitalized equipment	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
18A	direct assistance to for profit entities: other ED activities	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
18B	ED technical assistance	3. Creating economic opportunities	3. Improving sustainability by promoting viable communities
18C	micro-enterprise assistance	3. Creating economic opportunities	1. Improving availability or accessibility of units or services

Activity #	Activity Name	Objective	Outcome
19C	CDBG nonprofit organization capacity building	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
19D	CDBG assistance to institutes of higher education	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
19E	CDBG operation & repair of foreclosed property		
19F	repayments of section 108 loan principal		
19H	training and/or technical assistance activities		
20	planning		
21A	program administration		
21B	engineering and design costs		
21B	indirect costs		
21C	public information		
21D	fair housing activities	1. Creating a suitable living environment	3. Improving sustainability by promoting viable communities
