

The Shimberg Center for Affordable Housing provides data on all local governments in Florida via the Florida Housing Data Clearinghouse.

Go to the website at: <http://www.shimberg.ufl.edu/>

Click on "FLA Housing Data."

Choose a profile (Regional & Local Profiles) and click on "Go."

The screenshot shows a Microsoft Internet Explorer browser window displaying the Florida Housing Data Clearinghouse website. The browser's address bar shows the URL <http://www.flhousingdata.shimberg.ufl.edu/>. The website header includes the FHDC logo and the text "FLORIDA HOUSING DATA CLEARINGHOUSE Improving Housing Decisions". A navigation menu contains links for Home, Regional & Local Profiles, Statewide Comparisons, Data Access Tools, Tools for Planning, Housing Seekers, and Publications. The main content area is divided into three sections: "improving housing decisions" with a description of the clearinghouse's mission and a "Learn more about FHDC" link; "REGIONAL & LOCAL PROFILES" featuring a map of Florida and a form with dropdown menus for selecting a county (Alachua, Baker, Bay, Bradford) and a "GO" button; and "DATA ACCESS TOOLS" with a description of the tools and links for "Housing Supply Data" (General Unit Characteristics, Construction & Sales Data) and "Population and Demographic Data". The Windows taskbar at the bottom shows the Start button, several open applications, and the system clock at 2:56 PM.

Choose your "Indicators."
